
COTO DE HAYAS

WORLD CLASS WINES FROM SPAIN

Wine Spectator

As reviewed by the Wine Spectator:

"This plush red offers jammy raspberry and vanilla flavors that are soft and sweet on the palate, with accents of chocolate and licorice. Generous, with just enough ripe tannins for grip". 86 points

*Spain's Penin Guide Magazine:
"Never before has a Garnacha wine
been so close to perfection."*

Fagus Unfined/Unfiltered

Fagus (Latin for Beech tree) is the result of excellent vineyards combined with the winemaker's art. The low-yield, 40-50-year-old Garnacha vines that produce Fagus are grown at high elevations in deep, well-drained soils. These conditions produce outstanding grapes that are rich and intensely flavored.

Grape Variety: Low-yield Garnacha vines that are 40-50 years old.

Barrel Aging: Over 12 months in new French oak barrels.

Flavor Profile: A full-bodied, yet elegant wine that has both power and complexity of flavor.

Vineyard Features: High elevation (over 2500 feet) vineyards with deep, rocky, well-drained soils
