

O Z E K I

Hana Bonbori Junmai Daiginjo

Aptly named "Flower Lantern", this sophisticated sake lights up your senses with its opulent floral and fruity fragrance. Hana Bonbori has a strikingly clear, crisp flavor that makes this dry Daiginjo sake an ideal aperitif or the perfect accompaniment to light and simple fare.

Sake Meter Value +5

Niigata Prefecture, Japan

- Rice is polished to 50% removed to achieve Daiginjo quality
- Brewed from the famous Yamadanishiki rice
