

O Z E K I

# Hyorei Junmai Genshu

*Ozeki Hyorei is a natural, pure rice sake. This means no water has been added prior to bottling, yielding a rich, potent sake with a higher alcohol content than most. So, many people prefer to drink this type of sake on the rocks, hence the name "Hyo" – meaning ice and "Rei", meaning cold.*

*Sake Meter Value +4*

*Hyogo Prefecture, Japan*

- Balanced and expressive boasting rich, dried fruit aromas
- A delightful flavor reminiscent of steamed rice
- Tasting this sake is like tasting at the brewery
- Rice is polished to 35% removed to achieve Junmai quality
- Alcohol 17.5%
- Acidity 1.9
- Serve chilled or on the rocks

*Available in 300 ml bottles  
packed 12 to a case*
