Plum Wine

This fruity, sweet wine is made with real plums. Its ripe cherry aroma and crisp, smooth plum flavor make it excellent as an after dinner treat or on the rocks with a twist. Kikkoman Plum wine is also delicious served as a summer spritzer over ice with a splash of soda and a twist of lemon.

Alcohol: 11.5%

Serving Temperature: Chilled or on the rocks

Size: 750ml, 1.5L

- ***Kikkoman Plum Wine is made with real California plums and plum essence imported from Japan. Other domestic plum wines are plum flavored imitations – they are not made with real plums.***
- ***Kikkoman Plum Wine is naturally colored. Others domestic plum wines are colored with caramel!***
- ***Kikkoman is less expensive than other plum wines, but it tastes better!***
- ***Not syrupy-sweet, but fruity and clean.***
