
RIESLING SPÄTLESE

87 **Gustav Adolph Schmitt 2005 Niersteiner Rehlbach Riesling Spätlese (Rheinhessen); \$10.** Fans of sweet Riesling should scoop this bargain up. The aromas and flavors of honey, superripe apples and pears are lusciously sugary, the mouthfeel is thick and concentrated, and the finish long and mouthcoating. It could use a touch more zest, but at this price, who's arguing? Imported by The Marchetti Co. *Best Buy.* —J.C.
