

VILLA CALCINAIA

Sebastiano, Nero & Niccolo

Villa Calcinaia is situated in the center of Chianti Classico near the town of Greve-in-Chianti. This historic estate has been home to the Counts Capponi since 1524, and is maintained by Sebastiano Capponi and his brother Niccolo (Their father, Nero, is also pictured above). Calcinaia is the heart of the Capponi family and each generation gives new life to the fields, woods, vineyards and cellars. These wines express the family's love for their land; with every vintage they share the hopes, worries, pride and care that come with making honest wines. Organic farming is the standard at Villa Calcinaia where 75 acres of vineyard are planted with Sangiovese, Merlot, Canaiolo, Grechetto, Vernaccia, Trebbiano, and Malvasia. Through each vintage the wines are crafted with food in mind. They are balanced, elegant, perfumed, and savory yet refreshing with restrained vigor and intensity that ensures longevity. The Villa Calcinaia philosophy has always been: "Love for the land, respect for tradition, and the rightful pride in bearing the name of Capponi."
